Our Valued Customer

Re: Recycled and Domestic Content

Rebar, structural steel and bar products that are produced by NUCOR STEEL, Darlington, S.C. contain a minimum of 98% recycled materials. Approximately 85% of the scrap is supplied from post-consumer sources. These products are Electric Arc Furnace melted and rolled in Darlington, SC.

If you have any questions or need any more information please do not hesitate to give me a call.

Sincerely,

James H. Blew
