Need Galvanized Steel?

You can...

Place a PO with South Atlantic Galvanizing Steel Sales Division and the galvanized steel will show up at your warehouse fast and turnkey

OR...

- **Cut a PO to the mill to buy plain carbon steel.**
- **Expedite the receipt of that PO.**
- **Unload that truck into your warehouse.**
- **Pay the mill invoice.**
- **Cut a PO to the galvanizer.**
- **Reload that material onto your truck so your truck and driver can spend hours driving across town to drop it off at the local galvanizer.**
- **Wait a week and hope the local galvanizer doesn't lose any pieces of your steel.**
- **Re-send your truck and driver back across town a week later to pick up the newly galvanized material to return and unload it back at your warehouse a second time.**
- **Pay the galvanizer invoice.**

**We make it EASY
to buy GALVANIZED STEEL!**

SOUTH ATLANTIC

GALVANIZED STEEL

South Atlantic Galvanizing Company's proprietary air wipe system ensures a uniform zinc coating and eliminates rack marks. As a result, our galvanized steel offers better forming and other metalworking properties.

www.southatlanticllc.com

South Atlantic Galvanizing, LLC is a growing company, building on fifty years of experience in the galvanizing industry.

All our products undergo thorough inspections at each phase. As a result, every job we galvanize and every steel product we produce meets the same high standards.

Our customers, across North America and internationally, have chosen South Atlantic for its reputation for superior quality and customer satisfaction.
